About

Innovating Health Together Conference

The Innovating Health Together Conference (IHTC) is an international event dedicated to innovation and collaboration in Healthcare. Bringing together experts, companies, and health professionals, the conference fosters discussions on the future of healthcare systems, covering important topics for the development of Europe's Health.

With a dynamic and interactive environment, the IHTC offers networking

opportunities, showcase of innovative projects, and strategic partnerships, creating a privileged space to drive disruptive solutions in the sector.

Let's Innovate Together!
